

WCGS volunteers have spent many hours documenting these burials, and researching and writing the histories of the cemeteries. We appreciate you visiting our website and are happy that we may be able to help you in your research. We only ask that you cite the WCGS as your source when you enter this information in another website or when you publish it in any other way.

## Hewett Cemetery [2005]

aka: Burton Colony Cemetery

Latitude 30° 09' 49" - Longitude 96° 34' 11"

The following paragraph is from History of Burton, Vol. II, by Annie Maud Avis, 1985;

"The Burton Colony Cemetery Association Trustees were J. L. Hewitt, Ben Green, Ellis Collins, Wm. Shepard, and Will Hanak. They purchased 3.45 acres of land from H. Knittel on March 9, 1898, for a cemetery which was located on the Burton-Brenham public road; present Old Mill Creek Road. The deed also stated that the land was near the old D. G. Bowers place and part of the Alex McCoy ¼ League. There are many unmarked graves in the cemetery of which Cecellia Gantt, George Haynes and others remember. Cecellia prepared a list of the people buried there with no tombstones." [Cecellia's list is combined with those burials that have a dated marker and other known burials.]
