The Funeral Bulletin above was sent to WCGS from Austin County Genealogical Society.

Research tells us that:

Earlie Mae Brown m. Thomas Francis on 3/17/1945

She's not listed in any cemetery in Washington County.

Death Certificate says she's buried in Old Gay Hill Cemetery. There are two with that name and it is unknown which one she is buried in. Many of the later burials are in the one on Dannheim Road, rather than the one at the Old Gay Hill Baptist Church so we suspect she may be buried in the one on Dannheim.

Father is Jim Contee

Mother is Hattie Riley

Informant is Jessie Kimble

Hogan's Funeral Home was in charge of arrangements.
