

Salt Lake City Tour

The Humble Area Genealogical Society invites everyone to join us for our research trip to Salt Lake City. Our trip is planned **Wednesday, October 17- Wednesday, Oct. 24, 2018.**

This trip is open to anyone interested in genealogical research and you need not be a member of our society to join us. Genealogists from beginners through advanced will benefit from the record collections at the Family History Library. We are staying at the Plaza Hotel at Temple Square next door to the library.

This trip includes **7 nights**, and transportation and baggage handling to and from the hotel, and **5 full days** of research in the Family History Library (the library is closed on Sunday). For new researchers, a preparation meeting will be held to help acquaint you with the FHL catalog and prepare for the trip. There is a \$25 registration fee for this trip, payable to Patsy McLaughlin.

How many rolls of microfilm can you look at in 5 days?

Airfare-On your own. Meals not included.

Monday evening we have dinner reservations at the Garden Restaurant in the Joseph Smith Building (the Library closes at 5 p.m. on Monday, so you won't miss any researching!). A Sunday excursion (cost will be \$50 or less per person) is being planned to include brunch, shopping and sightseeing. See page 2 or reverse of this flyer for more information.

The Family History Library has 5 floors holding the largest genealogical collection in the world—it is especially strong for the United States, British Isles, Scandinavia, Mexico, and parts of Germany, but also has material from all parts of the world. Includes civil vital births, marriages, and deaths, church records, county and local histories, court records, military records, probate records, American passenger arrival lists and naturalizations, and land records, census, plus many databases online.
